

The Big Idea

The enemy knows that when humanity aligns his life with Biblical truth, humanity is aligned with laws that govern life; there is less opportunity to destroy. God created all moral, social, and scientific laws, and He gives humanity a choice as to whether to cooperate with Him or not. Join us this week as we lay the foundation for engaging in the spiritual war.

Things to Remember

“The War Against god is the war against Biblical Truth.”

“Our world is in chaos because of man’s thinking influenced by satan. Without biblical truth, the enemy can control and manipulate humanity.”

Next Steps

- This week, we encourage you to not only speak the truth but let everything you do flow from God’s truth and love. Before you start your day, invite the Holy Spirit to join you in everything you do and every encounter you have. Ask the Holy Spirit to ignite the eagerness in your heart and mind to see Jesus and spread his love among the chaos around us.
