LIBERTY HILL
TEXAS

Launching February 2022

A family of churches.

There's a place for you here.

The Bible teaches that The Church is more than just a place you go to, an event you attend, or some other activity on your to-do list. The church isn't a place you go to; it's a spiritual family you belong to. Kyla and I are by-products of what happens when The Church expands as are many of you.

Noble Elementary is the perfect place to launch this new life-giving church, located right off Highway 29 in the heart of Liberty Hill, highly visible and easily accessible from all surrounding areas. We are excited to install Nathan and Ashley Brown as the lead pastors for this new location. They have dedicated their lives to serving the local church and we are excited to partner with them as they reach, love and lead their community through Vintage Church, Liberty Hill.

As I look at what God has done in just seven short years, I can't help but wonder what He will do in the next seven years as we stay committed to reaching people and building family together! The best is ahead!

I look forward to partnering with you and your family.

Stephen Martin
Founding & Senior Pastor

The community we are impacting.

WHY LIBERTY HILL?

Liberty Hill is a fast-growing community in the heart of Central Texas, situated about 8 miles west of Georgetown and 18 miles north of Austin. Experiencing over 308% growth in the last ten years, Liberty Hill was recently recognized as the 3rd fastest growing city in Texas. As one of the most land-rich areas in Williamson County, it is projected to continue growing at an exponential pace over the next 20 years. With large-scale developments occurring in and around Liberty Hill, the area population is projected to swell by over 30,000 people in the next ten years alone.

Additionally, there are already over 200,000 people living in the surrounding areas of Georgetown, Leander, and Cedar Park. Though the area does have a church presence, it is estimated that if everyone in the Liberty Hill ETJ wanted to attend church at the same time on a Sunday morning, less than 3% of the population could find a seat. We are excited to build spiritual family and see Jesus famous and followed in Liberty Hill!

Vintage Kids & Students

WE BELIEVE

We believe that children and students are an integral and valuable part of the community and the local church. We provide fun, safe, faith-filled environments for children and students to learn and connect with their creator and build relationships with others. We partner with parents to help children and students build their own spiritual foundation by learning about Jesus, and how to lead and love others. At Vintage Church we don't believe that children are only the leaders of tomorrow. We believe they are the leaders of today. We believe that God has present promises and future promises for our children and it's our honor and joy to come alongside the family to help our young people experience all that God has for them.

Shared Mission, Vision & Strategy

INVITED TO CONNECT

We are passionate about inviting people to connect with God and with others through our weekly services, small groups, events, and outreach. We also come alongside those starting or restarting their relationship with God through the Start Here 21- day Guided Devotional.

CHALLENGED TO GROW

God continues to change us as Christians by challenging the way we think. We can know God and His ways through The Bible. We challenge members to grow by putting God first in every area of their life. We offer discipleship courses aimed at each of the fundamentals of the Christian life.

EQUIPPED TO SERVE

Church is more than just consuming, it's about contributing. Through our Next Steps Membership Course and New Member's event we help people find belonging by equipping them to serve on a Serve Team. Members can also become a Small Group Leader by completing the Small Group Leadership Course.

EMPOWERED TO LEAD

Leadership is a privilege not a right and we are called to use our influence to help and sacrifice for others. That is what leadership in God's family is all about. We empower you to lead through coaching, practical hands on internships, and residencies as well as higher education for those called to full time ministry.

Frequently Asked Questions

What is your doctrine or denomination?

Vintage Church is a Christian non-denominational church. Although our approach is anything but traditional, we believe in and hold to a conservative theological position. See our full doctrinal statement at vintage.church.

How is your church led?

Vintage Church is led by a central Pastoral Leadership Team who oversee the daily operations of the church, and who are under the ultimate authority of our governing Board of Elders and our Church Bylaws & Policies.

Is the Liberty Hill location a video or satellite campus?

No. Each location has their own Lead Pastor who teaches live each week and who is responsible for leading and shepherding that local congregation. Lead Pastors are chosen by the Pastoral Leadership Team and approved by our governing Board of Elders.

What will the Liberty Hill location look like practically?

You can expect worship, outreach, and events to be tailored to each location. Lead Pastors will communicate the same great biblical and practical message live each week while tailoring it to their own unique communication style. The Liberty Hill location will also employ central strategies for membership, small groups, discipleship courses, and leadership training.

What other Pastors are saying.

We are honored to support Nathan and Ashley Brown as they transition from many years of faithful service and ministry at Mosaic Church into full-time pastoring in Liberty Hill, Texas, with Vintage Church. They both have a passion for Christ and a love for people that will serve them well in this new church plant, and we are excited to see all the good and eternal impact that comes from this decision. The Greater Austin area needs new churches, and Nathan and Ashley are an answer to that prayer and need.

Morgan Stephens

Lead Pastor • Mosaic Church

Having pastored in greater Austin for over 30 years, I am very excited about the new Vintage Church being planted by Nathan and Ashley Brown in Liberty Hill. We have known Nathan for most of the years that we have been in Austin. He and Ashley love God deeply and are passionate for both His Church and for the Kingdom of God. They have been extremely faithful in their previous ministry and will be excellent leaders for Vintage Church.

Pastor Charles Patterson

Austin Christian Fellowship

I've known Nathan Brown since he was a young man in youth group. I'm delighted to see what a powerful Pastor and leader he has become! I'm thrilled to consider Nathan a colleague and co-laborer for Christ in seeing greater Austin transformed for Jesus!! I could not be happier to see he and Ashley planting Vintage Church in Liberty Hill. Join me in praying for Nathan, supporting Nathan, and cheering him on in the days, months, and years ahead!

Pastor Trey Kent

Northwest Fellowship & Unceasing Prayer

Praise the Lord! Excitement is in air for Nathan and Ashley Brown as they launch Vintage Church in Liberty Hill. I believe because Nathan has shown himself faithful for years serving in the ministry of others, The Lord has decided in His sovereignty that he should become a lead pastor. Nathan has been a good friend and brother to me for several years and a trusted confidant. He possesses the character traits of a good shepherd that will call his own sheep by name. So it is with Jesus' joy and excitement that I rejoice with my friend and brother as he begins his journey into full time pastorate. Love, peace and blessing,

Pastor Fred Moore

Kingdom of God Christian Center

I am very excited about the Vintage Church plant in Liberty Hill. Not only do we need more churches, but we need more churches whose leaders won't be tossed and turned by the culture around them. We need more churches that will expand the Kingdom of God despite what the world, the government, or any person may say. Pastor Nathan and Ashley are followers of Jesus with high moral character and integrity. The 'yes' in their hearts is all the Lord needs to make this church plant a huge success.

Pastor Nate Cashdan

Nate Cashdan Ministries & River In The Hills Church

Nathan is an incredible leader that God has used in this city for decades. His roots run deep in Christ and relationally with many. It's no surprise that God's next step for him is to plant Vintage Church in Liberty Hill. He is well equipped for Pastoring carrying wisdom beyond his years and a heart to serve people with the love of Jesus. I'm so excited and in his corner as a fellow Pastor-brother in the city of Austin. I'm expectant to see God move in this next season of the Brown's lives.

Pastor Blaise Raccuglia

Capital City Church

For years it has been apparent that there has been a call on both Nathan and Ashley's life for church planting and pastoral ministry. As the Liberty Hill area is one of the fastest-growing areas in the greater Austin area, it is exciting to know that God has placed the two of them there in that community to do a great work. I am excited to see what God will do through both of them, their family, and their future team. Lastly, I am blessed to call them my friends and I look forward to many others coming to call them the same as well as Pastor.

Shadrick Bell

Lead Pastor • Family Life Austin

We are honored to support Nathan and Ashley Brown as they begin the process of planting Vintage Church, Liberty Hill. This is an amazing move of God's hand and Melissa and I couldn't be happier for the Browns and their team! We are super excited that this region will begin to shift because of their intentionality and commitment to the kingdom work at hand! We love and appreciate their friendship, support and willingness to see God move in a BIG WAY. We can't wait to see the fruits from this move!

Pastors John & Melissa Fanning

City Reach Church

Church Planting was the hip thing to do 2000-2020. It seemed like every seminary graduate with skinny jeans and a vision was planting a new Church. Some made it, and many didn't. All the while I have watched Nathan and Ashley Brown serve faithfully and wait patiently on the Lord. Even when I would push them to try to get him to plant a new Church, he would wisely decline with "I'm not ready yet." Dave Behring, the author of A Disciple's Journey, once told me a man's greatest ministry would take place after his 40's. This has been true in my personal ministry, and will be true in theirs! I am certain this is God's time for Vintage Church Liberty Hill! Two leaders obedient to God's timing... what a powerful start, Vintage Church Liberty Hill!
